

Quality That Makes An Entrance  
**1300 654 244**

Ammo Garage Doors & Gates specialises in not only garage doors, but in the fabrication and installation of architecturally designed swing gates, sliding gates, pedestrian gates, remote controlled gates, fencing and balustrading.

Our gates are designed and custom made for each individual project, to ensure the perfect addition to your home. Which can be made out of steel, timber, acrylic, aluminium or alternate materials to provide a gate that is visually appealing and provides your home with security, privacy, and are built to withstand the harsh Australian climate.

Phoenix Enviro 6 Sliding Gate Operator

Phoenix Enviro 6s sliding gate operator

Ammo Garage Doors & Gates are proud suppliers of Phoenix Doors and Centsys gate operators. Both are reliable, durable and user-friendly to provide you with security and ease of access.

With the option to add extra features for accessibility such as, keypads, handsets, photo eyes, and GSM control.
